

name:

*Paulus*

how powerful?: *Very*

will he kill you?: *Maybe*

magical creature of the *Elden Forest*:

### *Backstory:*

*Paulus* is a *magical creature* of the *Elden Forest*. After a series of comical yet unfortunate events, he got ahold of the *Wizard's Spell Book* and *Casting Rod*, and casted the spell of *The Unmatched Power of the Sun* onto the *Wizard*, *incinerating* him instantly. Ever since that day, Paulus assumed the role of *Wizard of the Elden Forest*.

### *Character:*

*Paulus* is a quiet creature, only speaking out loud (and coherently) when casting spells. They enjoy roaming the *Elden Forest*, whispering their thoughts to themselves as they walk. These whispers are unintelligible, none of the other creatures understand what *Paulus* is saying. *Paulus* does not understand the consequences of their actions, which has led to them doing unspeakable things to the *Elden Forest*.

The list of their unspeakable acts include:

- Casting the spell of *Extinction* onto the endangered *Illustrious Snipe* species of bird.
- Single handedly overthrew the *Gnome Government*.
- Attempting to *burn* down the *Elden Forest*. Multiple times.
- Etc.

To summarize:

- Quiet
- A menace
- Not intelligent, yet very powerful
- A *Wizard*

### *Voice:*

*Paulus* speaks in whispers. These whispers are soft, quiet, and unintelligible. They speak out loud when casting spells (ex: \*whisper\* \*whisper\* \*whisper\* **"I CAST THE SPELL OF THE UNMATCHED POWER OF THE SUN UNTO THEE!"**). When speaking out loud, they sound like a young child.

little creature that speaks an otherworldly language that is also a wizard **AND** can possibly cast spells
